# WELCOME TO MAS, HERE'S WHAT YOU NEED TO KNOW

You are about to embark on a very exciting relationship and career with the Town of Milford Ambulance Service (MAS). All though you may or may not have previous experience, this program is designed to help you make the transition to our service an easy one.

## WHAT WILL THIS COURSE TEACH ME?

---

This program will cover the following introductory topics:

**Phase I:** MAS Policies and procedures, MAS rank structure, facility and vehicle tour

**Phase II:** Intro to MAS equipment and locations on ambulances

**Phase III:** National Safety Council Certified Emergency Vehicle Operator course

## HOW IS THIS COURSE TAUGHT?

---

This program is presented over the course of thirty (30) to sixty (60) days depending on how much time is needed by the new candidate. It solely depends on the candidate, the more time put into the program, the faster it will progress.

*This program is designed to progress at a comfortable pace for the new candidate. They may take as much time as they feel is needed to make a proper and successful transition to the service*

## WHAT IS PROVIDED IN THE PROGRAM?

---

Each student will receive the following:

- Student Manual
- Web address for the on-line quiz locations
- CEVO manual and certification

## WHO SHOULD TAKE THIS PROGRAM?

---

All new members and candidates to the Milford Ambulance Service whether they are full-time, part-time, or volunteer.

There is a modified version of the basic program for full-time and part-time employees that takes into account the potentially increased level of previous experience that was obtained before coming to MAS.

## HOW CAN I APPLY FOR THE PROGRAM?

---

All new members and employees to the service are automatically assigned to the Training and Community Education Division for the duration of their field training. Once they have completed the basic program, they are assigned to the duty schedule and able to ride as a “second”.
